Grand Provence is the home of Angels Tears, a range of heavenly wines that is as unique as the legend of the angels itself. Only the best grapes are selected from the estate's vineyards and picked by hand for processing at the acclaimed cellar. After the fermentation process each cultivar goes through a selection process and only the most fitting wines are chosen for the final blends, ensuring consistency in the fruity character of this delightful and easy drinking wine.

Each year the winemaker receives this bounty from nature and crafts a new vintage that continues to capture the true essence of Angels Tears in every bottle.
