

## Raats Dolomite Cabernet Franc 2013

The nose promises mulberries and plummy fruitiness. Dark berry fruit and a minty herbaceousness linger on the palate. The wine is elegant, showing great purity of fruit and is extremely moreish, with a hint of wet-stone minerality.

**ageing :** 2 - 5 years (drinks exceptionally well now)

**in the vineyard :** Soil Type: 100% Decomposed Dolomite Granite

Age of vines: 7 - 20 years

Trellised

The grapes comes from Stellenbosch and are grown only on decomposed dolomite granite soils. This attributes to great acidity and freshness and an extended mineral finish.

### about the harvest:

Individual vineyard blocks where hand-picked at perfect ripeness during the last week in February until the first week in March.

Yield: 6 - 8t/ha

Grape Sugar: 23° - 24° Balling

**in the cellar :** Grapes were hand sorted three times, crushed and left to cold soak on the skins for five days. After fermentation at a temperature of 28°C, the grapes were basket pressed and underwent malolactic fermentation in stainless steel tanks. Aged for 12 to 14 months in third and fourth fill French oak barrels before bottling. Neither fined nor filtered.
