

## Swartland Winemakers' Collection Chenin Blanc 2014

A pale straw colour, medium density. Clear and sparkly bright. Forthcoming nose with aromas of tropical fruit, grapefruit and sweet flowers. The nose follows through on the palate with aromas of tropical fruit. It has a fresh, crisp acidity with fruit to back it up.

Enjoy this light style Chenin Blanc with all kinds of fresh seafood including crab, prawns and, most particularly, oysters. For those who prefer not to have fish, this wine will be perfect with salads, especially chicken, cheese or ham salads or salad containing fruit.
