

Lothian Vineyards Riesling 2013

The Lothian Vineyards Riesling has a bouquet of green apple, pear and fig. Spice and floral undertones are met with lively acidity and a fruit finish with touches of minerality.

When young, this Riesling will partner superbly with yellowtail sashimi, duck à l'orange and light Asian cuisine. This Cape wine is also perfect as an aperitif.

variety : Riesling | 100% Riesling
