Vineyard and Climate Conditions

A dry-land single vineyard of 14 ha with an age of 15 years yielded the grapes for this wine.

Terroir / Soil

Soils: Oakleaf and Swartland

South-West facing Vineyards from the cool Tygerberg Hills.

Proximity to ocean 16 km.

about the harvest: Grapes were hand-harvested early in the morning in 10kg lug boxes.

The fruit was harvested in three batches from 7 February to 19 February at a yield of 6 tons per hectare.

in the cellar : Grapes were pre-cooled before sorting, destemming and crushing. Skin contact was limited to 6 hours and the free run juice drained off to settle overnight before inoculation. The fermentation took place under controlled temperatures between 12° - 14°C. The wine matured for 3 months on the lees before blending and bottling.
