

The River Garden Cabernet Sauvignon / Merlot 2013

A bright, deep red wine with dark chocolate, tobacco and blackberry notes on the nose followed by a dense meaty core with hints of licourice and a mineral finesse on the finish.

A wine to be enjoyed with everyday home-style dishes from meat on the barbeque to more hearty stews and pastas or even just with a beef sandwich for lunch.

in the vineyard : A cool winter allowed vines to go into proper dormancy. We were expecting a very different scenario with the cool start to spring and early summer which we thought would delay the start of the harvest. Then suddenly, the heat rose in early January and again in early February. However, for the most part, February and March were relatively mild, making for long, slow and very beneficial ripening. What also enhanced quality was the drop in night time temperatures. This helped fruit to retain aromas and flavours.
