NU Sauvignon Blanc is an everyday wine made to suit a wide range of tastes and to add pleasure to any occasion and meal. Since the first Sauvignon Blanc vintage in Morgenster NU Series 1 was so popular in the tasting room, the Estate has produced more of the 2014 vintage in order to supply national trade.

in the vineyard : As the Estate's Sauvignon Blanc vineyards are not producing yet, the 2014 vintage has been made from bought in grapes.
