

The Mentors Orchestra 2012

These bunches were hand picked and sorted in the KWV The Mentors cellar, which ensured only the best of each varietal went into the blend. After fermentation, the most promising wines of each varietal were chosen to mature further in barrel. After 12 months the best wines were selected to mature for a further six months. This wine is truly about selecting the best-of-the-best of each varietal.

The wine can be enjoyed on its own or served with a variety of juicy and flavoursome red meat dishes.

This is a very typical Bordeaux-style wine that shows the lovely perfume of cassis, cherry and plums. It's very structured and has plenty of concentration and flavour. The wine has been the backbone of the KWV The Mentors range and serves to highlight the quality and style benefits of Bordeaux varieties. Petit Verdot has exceptional potential in the warmer regions of the Western Cape. It brings much weight and complexity to the blends.

in the vineyard : The winter preceding the 2012 vintage was characterized by far lower than average rainfall. This trend continued into the summer, resulting in vineyards showing signs of lower soil moisture by way of the reduced berry size and bunch weight. A cooler ripening season with even temperatures led to steady and measured ripening of the grapes. Overall, the smaller berry size and lower yields promise great concentration, good quality and intense colour in the 2012 vintage wines.
