

Stonecross Chenin Blanc Chardonnay 2014

Light lemon yellow colour. Tropical fruit explosion on the nose with complex aromas of guava, grenadilla, pineapple backed up with Granny Smith apple and lime aromas. Fresh and fruity entrance with well-balanced acidity. Aromas on the nose carry through on the palate and the wine shows good complexity.

Chicken breast with mango, smoked pork and Greek salad.

about the harvest: Each block of grapes was intensely monitored to determine optimum ripeness and so ensuring a wine with a fresh and fruity character unique to both varietals.

in the cellar : No oak is used to ensure fruit driven style. The varietals were matured separately on fine lees until blending occurred.
