

Deetlefs Familie White 2010

Colour: Intense yellow-green appearance reflects the grape integrity.

Nose: Very subtle honey-lime-spicy aromas linger in combination with the wood.

Palate: Explosive, but elegant fruit opens up in bold expression of fresh ripe peach that is well rounded with lanolin and soft wood flavours that keep opening up. Layers of freshness! The palate confirms all that is picked up on the colour and nose.

Smoked trout and salmon. Guinea fowl. A multitude of creamy dishes as well as creamy, ripe cheeses i.e. Camembert and Brie.
