

Protea Sauvignon Blanc 2014

Gooseberry, fig and granadilla vibrancy are fleshed out with a lime zest and grassy nuance to the bouquet. Typical Sauvignon Blanc lemon and lime zest flavours abound on the palate. Vibrant fresh acidity and some gravelly, flint notes too. Clean and focused with a defined dry tail.

in the vineyard : This wine is a 100% Sauvignon blanc made from grapes from L'Ormarins, Franschhoek - a warmer climate, and from Altima in Villiersdorp - a cooler climate, where the 2nd highest vineyards in South Africa are situated. Elandskloof also has very inty, granite soils. The warm climate offers good fruitiness and lovely tropical characters, while the cool climate gives aromatics of green pepper and asparagus.
