

## Saronsberg Six Point Three Straw Wine 2007

The wine has a deep, golden straw colour with floral, dried peach and caramelised honeyed flavours. The body is full, sweet without becoming cloying. It is rounded off with a good acid balance and integrated oak.

Soil: Partially decomposed Malmesbury shale with coarse gravel.

**about the harvest:** Five tons of Sauvignon Blanc grapes were picked by hand in the early morning hours and packed onto straw pallets.

Yield: 5ton/ha

Balling: 23.5° B

pH: 3.60

Total Acid: 6.7

Harvest Date: 12/02/2008

**in the cellar :** It was left to dry for a three to four week period in the shade until it almost turned to raisins. The bunches were then crushed into the press followed by an 8 hour press cycle to recover the small amount of juice from the berries. The juice was settled for 48 hours at 5 °C with only enzymes. The juice was then racked into new 300l Allier French oak and fermentation was allowed to start naturally. Fermentation took 6 months to complete. The wine was allowed to age in barrel for a total of 36 months. It was racked given a bentonite fining and bottled with a sterile sheet filtration.
