

Tierhoek Chenin Blanc 2013

This is the wine that put Tierhoek on the map – an elegant Chenin overflowing with expression and flavour. 6 months of French oak add fullness and complexity to this mouth-watering wine, while the minerality and stone-fruit acidity provide a long lasting after-taste

ageing : This wine will age for 4 to 5 years.

The grapes were taken from three different parcels of 36 year old vines. 70% were tank-fermented to provide elegance and acidity and to add complexity 30% were fermented and matured in 2nd- and 3rd-fill French oak barrels for 6 months.

in the vineyard : These 37 year old Chenin Blanc vines are all rooted on weathered sandstone. They are trellised on an east-facing “skuinskap” system, so the bunches are only exposed to the late morning sun. Irrigation is only done during drought conditions, and all farming methods are organic. Yields are 4-6 tonne per hectare.

in the cellar : 70% were tank-fermented to provide elegance and acidity and to add complexity 30% were fermented and matured in 2nd- and 3rd-fill French oak barrels for 6 months.
