ageing : Eikendal Cuvée Blanc is perfect for drinking now, but it will keep its refreshing style for the next 12 months. Enjoy now, through 2014 and 2015.

in the vineyard : Grapes from different growers in the Stellenbosch region. Each block is specifically grown to complement the style of Cuvee blanc.

about the harvest: The grapes were picked at 21.5 – 23.5°B.

in the cellar : Before fermentation, a lot of effort is put into preserving the natural fruit flavours and a key emphasis is put on preserving the natural acidity for freshness and length. The cultivars are then fermented at 12 - 15°C in stainless steel tanks and blended, after the wine spent 2 months on its gross lees.
