type : Rose **style :** Semi Sweet **body :** Soft **taste :** Fruity

pack : Bottle **size :** 750ml **closure :** Screwcap

in the vineyard : The recent demarcation of the Darling district has led to a focus at Darling Cellars on wines which are terroir and varietal specific. The cool and temperate West Coast climate lends itself to a different micro- and mesoclimate which, along with the different types of soil, lead to unique grapes, which we guide into even more unique wines. Having 99% of all vineyards dry land and almost the same percentage as bush vine, this is as close to what nature intended for grapes to be as one can get.

Terroir: Decomposed granite in the area surrounding Darling Hills. Hot summers moderated by the cool Atlantic.

Vineyard type: Bush Vine, no irrigation

about the harvest: Yield: 5 t/ha

Balling at Harvest: 21° - 22° B

in the cellar : Vinification: Crush and destalk, 14 days fermentation at 12°C

Maturation: No maturation
