2014 was a healthy year with a balanced ripeness of the Sauvignon blanc happening at an earlier stage due to ideal conditions. Grapes were harvested from the early hours of 4 o'clock in the morning to ensure that they come in at the perfect temperature.

in the cellar : Sticking to the basics and focusing strongly on quality, we created a wine made to better express the vineyards and truly respect the Klein Constantia terroir. It is 100% tank fermented and spent 7 months on the lees after which, the various batches were blended together to create this elegant wine.
