in the cellar : It is well known that the leading Bordeaux blends in the world come from France. Italy is the leading producer of the Super Tuscan blends and Australia leads the world with Shiraz blends. There is an ideal opportunity to start a new category that is unique and in which South Africa can be the leader, namely the Cape Blend. In 1993 Uiterwyk Wine Estate pioneered the first of these blends. Uiterwyk Estate Wine is the Auction Wine of the Estate.
