

Amani Sauvignon Blanc 2014

The Amani Sauvignon Blanc 2014 express a flavour profile of ripe yellow peaches, ripe Cape gooseberries and zesty lime. The nose is clean with a full ripe expression and a crisp appeal.

On palate entrance the wine shows fullness of ripe summer fruits followed by an immediate lime crisp feel and a mineral salty aftertaste. The wine has a light, delicate palate weight, medium alcohol with just enough acid, fused with an edgy "tannin" linger, a tell tale character of Sauvignon Blanc.

variety : Sauvignon Blanc | 100% Sauvignon Blanc

winery : Amani Vineyards - CLOSED

pack : Bottle **size :** 750ml **closure :** Screwcap

Carmen

in the vineyard : Origin: Polkadraai Road, Stellenbosch

Soil Type: Clovelly.

about the harvest: Hand picked at 22° - 23° B. All grapes are picked before 10h00 and stringently sorted in the vineyard to minimise handling with the second sorting process in the cellar.

in the cellar :

The grapes are then stored in a cool room to help preserve the SBL flavours. The final wine is a combination of different winemaking processes. The 1st approach is a reductive winemaking portion, the 2nd an oxidative process, the 3rd a spontaneous ferment portion and the final is a barrel fermented portion. Fermentation is done at temperatures of 13° - 15° C. The final blend is left on the lees for 4 - 6 months before bottling.
