**in the vineyard :** The Chardonnay grapes for the Mrs. English comes from a single vineyard 0.78 hectares in size and 375 meters above sea level. In 2013 the age of the vines was 18 years and the crop yield was 7.7 tons/ha.

**about the harvest:** All harvesting and pruning is done by hand. Extreme care is taken not to damage grapes and only healthy grapes are picked.

The grapes were picked at 23° Balling with whole bunches crushed without prior destemming to ensure a prominent fruit character as well as a well-rounded wine.

### in the cellar :

After pressing, the juice was settled in stainless-steel tanks for 48 hours at 12-14°C before the clear juice was racked to French oak barrels. Each barrel was inoculated with different yeast strains. A third of the wine was fermented with natural yeast. This ensures a 'softer' wine with complexity. The barrels used on the Chardonnay were 50% new and 50% 2nd fill. After fermentation in the barrels, the wine spent 8 months on the lees with regular batonage. The wine was sulphured and left to mature in the barrels for eleven months. Batonage was done every week for 8 months.
