ageing : A well structured Shiraz that is full yet friendly allowing for immediate drinking now and potential to soften further for up to 3 years from Vintage.

A dry red wine. Full-bodied with a firm textured structure that supports overt flavours of plump black berries and mulberries with pepper, spice and oak vanilla on the finish.

in the vineyard :

2014 produced vibrant red wines with ripe tannins and good phenolic ripeness as a result of even ripening over a long mild harvest period. Grapes were selected from the Swartland region for chunky tannins and expressive fruit to complement the fruit from the Perdeberg area.

Wine of Origin: Western Cape (Swartland and Breedekloof)

about the harvest: Hand harvested at an average 24°B.

in the cellar : Fermented on the skins for around 7 days at 28°C until dry. After pressing, the young wine was treated with American oak staves and allowed to complete malolactic fermentation. Left for a further 3 months wood maturation for optical integration. Final blending and bottling takes place at our cellars in Wellington.
