

## Sadie Family Old Vine 'T Voetpad 2014

(On allocation) Being a field blend of 5 grapes, this vineyard actually presents the highest consistency over vintages as odd as it may seem, but the sum of all is the strength here and the 2014 is no different than the previous vintages. The biggest change is the acidity that is higher and with firm tannins being the trademark of this wine, the 2014 presents serious prospects for future ageing.
