

Oneiric Merlot 2013

The rich luxurious crimson hues of Cuprite, a sulphide mineral, embodies the velvety texture of our Merlot. Probably one the nicest Merlot's in South Africa. Great balance, no hint of greenness. Dark cherry juice layered with mocha, dark chocolate, violet and a slight crème de menthe on the finish. A really soft and vivacious wine with a luscious finish of vanilla and, truffle and sweet wood. this is certainly going to be a merlot that is going to make waves in the industry.
