

Seriously Cool Cinsault 2014 by Waterkloof

We describe it as **SERIOUS** because it ensures a well-structured, memorable length in the mouth. The old bush vines give rise to a soft balanced tannin line and elevated length. This wine is lively and not overtly fruity. A combination of cassis, dark berries and spices infused with a slight earthy note, can be appreciated on the nose. Soft tannins in the mouth are complemented by elegant fruit flavours.

This wine can be adored on its own and also paired well with a duck dish or even with a charcuterie platter.
