It displays simplicity and elegance with unmistakable reflections of historic French influences. Just like this Sauvignon Blanc.

in the vineyard : Age of vines: These specially chosen vineyards vary from 6 - 25 years in age.

Climate: 2015 season was punctuated by a cool ripening period that produced well balanced grapes that express all the hallmarks of that typically elegant Franschoek Cellar style with good varietal character and fine acidity.

Soils: The vineyards are planted on suitable soil types to allow for the optimum vine growth balance.

Trellis: Trellised

about the harvest: Harvest: Grapes were harvested by hand in January and February at an average ripeness of 24° B.

Yield: Between 5 and 11 tons per hectare

in the cellar : Made in reductive style excluding exposure to oxygen at all stages to diminish any loss of inherent grape aromas and flavours with gentle prolonged cold fermentation in stainless steel to ensure expressive fruit aromas. Lees contact encourages richness and complexity on the palate.
