

## Groote Post Kapokberg Pinot Noir 2014

Cherry flavours greet you on the palate accompanied by dried-beef and savoury flavours, rounded off with the taste of fresh herbs. A subtle hint of forest floor underpins the earthy character of the cultivar, yielding a full juicy wine.

Kapokberg translated as "snowy mountain". In days gone, this hill, covered in white Spring flowers, resembled a snow capped mountain. At 459m above sea level, it is the highest hill at Groote Post and bears the name of our vineyard selection wines.

**in the vineyard** : Vines planted in: 2000

Soil: Hutton & Oakleaf

Irrigation: Dryland

Trellising: 5 wire extended moveable perold

Elevation: 450m

**about the harvest**: It's exciting times with our Pinot Noir with new sites and different clones coming into production. The 2014 crop was one of our largest, but even with this increased yield the fruit developed very well with the berries achieving even phenolic ripeness.

Yield: 5 t/ha6

**in the cellar** : The wine was fermented in open barrels and also in stainless steel tanks. The wine spent 15 months in 500L French Oak barrels. 15% new oak, the rest in older barrels
