

Simonsig Chardonnay 2014

The wine exhibits a golden dust colour. An abundance of yellow apple is wrapped in lemon and lime with seductive notes of toasty hazelnuts. The silky smooth texture coats the palate creating a mouthfeel filled with delicate citrus, yellow apple flavours and baked pears. The full bodied structure and well balanced acidity sculpture the 2014 Chardonnay.

Ideal with fresh wild oysters, fish carpaccio or curry, creamy crayfish pasta and shellfish salad. Can be served with rich, creamy cheese such as ripe camembert, Pont le Eveque or Reblochon. Do not serve too cold: 14-16°C should be perfect.

variety : Chardonnay | 100% Chardonnay

winery : Simonsig Wine Estate

winemaker : Johan Malan

wine of origin : Stellenbosch

analysis : alc : 13.6 % vol rs : 4.6 g/l pH : 3.47 ta : 6.4 g/l

ageing : Delicious to drink now and will reward your patience with deeper complexity over three to five years from vintage.

Heritage

In 1978 Simonsig Estate released their first Chardonnay, making them one of the first South African Estates to release a wine of this variety. With more than three decades of experience in producing Chardonnay, Simonsig has identified the ultimate combination where the best terroir and the most suitable Chardonnay clones combine to create wines of classic quality. The deep red soils of Simonsig and the cool maritime climate of Stellenbosch is perfectly suited to express the nobility of Chardonnay to the full.

Style of Wine

Full bodied French oak matured 100% Chardonnay.

in the vineyard : The 2014 vintage was quite a challenge. With the heat waves in February and winter's rain in March it created a juggling match of when and what to pick. Not only was it nerve-racking but tested our endurance starting on the 23rd of January and finishing 14th of April. Nevertheless the quality of the Chardonnay was outstanding with ripe luscious fruit and good acidities.

about the harvest: Only top quality hand selected grapes are harvested at optimum ripeness according to their flavour profile.

in the cellar : Fermentation took place in French oak barrels – 25% new French oak and 75% 2nd and 3rd fill. Wine in new barrels underwent malolactic fermentation to add complexity to the wine. The wine aged for 6 months in barrel with regular battonage.
