

Krone Chardonnay Pinot Noir 2015

Combined in perfect proportions these two noble grapes create a wine which is full of appealing flavour yet remains balanced and refreshing. And to top it all, the wine has an alluring blush of colour making it attractive to both eye and palate. The Chardonnay contributes crisp acidity and elegance whilst the Pinot Noir brings intensity and richness and delicate red berry fruit flavour.

This wine should be enjoyed with friends and family and will be a perfect partner for Mezze and Mediterranean dishes, seared tuna, smoked salmon, seafood, Thai curries, ham or veal. Or simply enjoy it on its own.
