wine of origin : Klein River

analysis : alc : 14.0 % vol rs : 2.4 g/l pH : 3.51 ta : 5.8 g/l

type : Red **style** : Dry **body** : Full **taste** : Fruity **wooded**

pack : Bottle **size** : 750ml **closure** : Cork

about the harvest: The grapes were hand picked.

in the cellar : Grapes were sorted and cold soaked after destemming and inoculated with a pure yeast. The juice was pumped over the skins 3-5 times per day for 5 days, with twice daily punch-downs. After fermentation the wine was drained off the primary lees and transferred to a resting tank. Malolactic fermentation and a brief settling period was allowed before transferring the wine to a combination of 225 liter barrels of French oak types. The wine spent between 12 and 14 months in barrel before bottling and labeling.
