

Steenberg Catharina Red 2013

The wine is full-bodied and reflects a fusion of the best red varieties at Steenberg. The nose shows aromas of ripe red fruits, dried herbs, aniseed and lavender. On the palate dried herbs, plums, cedar-wood and spice. Firm tannins give the wine backbone and will allow it to develop well in the bottle.

in the cellar : Catharina is a barrel selection of the best barrels from each vintage deemed good enough to produce our top estate red. Each cultivar is vinified and aged separately in a traditional red wine making style. The juice was fermented on the skins for 15 - 20 days, allowing the temperature in the tank to peak at 30° C. Air was incorporated during pump-overs which occurred twice per day. After pressing, the wine was transferred to French oak barrels (73% new, 25% second fill and 2% third fill) for malolactic fermentation and maturation of 15 months. The wine underwent a light fining before bottling in October 2014.
