

Haute Cabriere Pinot Noir Reserve 2013

2013 produced an exceptional vintage which has been exquisitely blended with red and black berries, combined with forest floor notes. On the palette one tastes the darker and more structured fruit with hints of tobacco and spice.

Enjoy with lamb, duck, tuna, rare beef and fine African venison. This Pinot Noir should be served slightly chilled at about 16° C.

ageing : Our 2013 Pinot Noir Reserve has all the attributes of a great wine and will evolve beautifully over the next several years.

in the vineyard : Pinot Noir is a noble cultivar and when combined with small berries it creates an amazing wine, full of character, expressing the very terroir where it's grown. Pinot Noir reflects vintages more accurately than any other cultivar.

in the cellar : Matured for more than nine months - depending on the vintage - in two hundred and twenty eight litre Burgundy Oak Barrels, our Pinot Noir expresses the respect we have for the wise words once spoken - "that oak is only a platform to present this noble Cultivar and not a curtain to hide it as in a theatre play!"
