Our block of Chardonnay was the first vineyard planted on the farm in 1994, and has been producing world class wines since its first vintage with both the Mont Rochelle and MIKO Chardonnays finding their origins here. Made in a slightly oxidative, European style of Chardonnay, the Mont Rochelle Chardonnay expresses the true reflection of the Mont Rochelle terroir.

in the vineyard :

The 2015 season was one of the driest and earliest in years, with a somewhat smaller wine grape harvest promising exceptional wines. Warm weather in August resulted in earlier bud break, after which a warm, dry and windy summer kept vineyard growth under control and accelerated ripening. With the absence of the usual heat waves in most regions, cooler than usual weather in February was ideal for ripening and harvesting. Lower temperatures at night during this time contributed towards good colour and flavour development across the board.

The juice was then inoculated with selected cultured yeasts that favour great aroma and flavour development in the wines. Extended less contact in barrel and bâtonnage (stirring of barrels) was employed. Resulting wines were aged in 55% French oak (1st, 2nd and 3rd fill) and 45% in stainless steel to preserve aromatics and freshness. There is 4.5% of Viognier blended into the wine, to lift the aromatic profile slightly.
