

Simonsig Frans Malan Cape Blend Reserve 2014

The wine displays a dense opaque colour, A perfume entrance of rich plums, cinnamon spice and a dash of lead pencil. The three varieties unite and form a powerful trio of concentrated blackberry fruit. The tannins are soft and supple and the refined dry finish captures the characteristics of this Cape Style blend, leaving lingering notes of sweet plum and spice.

Egyptian dukka crusted beef fillet medallions, slow roasted belly of pork, springbok espetada, roasted duck and plainly cooked ostrich steak.

variety : Pinotage | 63% Pinotage, 29% Cabernet Sauvignon, 8% Merlot

ageing :

Will reach peak maturity 5 to 8 years from vintage. Due to the elegance and fruit intensity it is also delicious to drink now.

Heritage

In 1991 we experimented with a Pinotage Cabernet blend for the Cape Winemakers Guild, to show the public a new approach in winemaking. At that time it was in vogue to talk about what constitutes a typical South African blend. After the success of the 1991 vintage we decided to make this blend as a limited release to the larger public. The wine was named after Frans Malan, the founder of Simonsig and the late patriarch of the Malan family.

in the vineyard :

The 2013/2014 growing season will be remembered as one of the wettest seasons, which had two effects on the 2014 harvest. One it resulted in a bigger crop, especially in Sauvignon blanc and then on the downside it brought fungal disease to some varieties. It was a huge challenge for the viticulturist to keep the vineyards healthy and in pristine condition. During the last part of harvest continuous rain showers,

especially in March, put a strain on the ripening of the Cabernet Sauvignon and Shiraz. Although the 2014 harvest had its unique challenges it delivered wines with great quality.

in the cellar :

Wood Maturation: 17 Months oaking. 78% French Oak, 22% American White Oak. New Wood 15%, 2nd fill 85%.
