about the harvest:

harvested at different ripeness levels. Each block yields unique characteristics ranging from flinty, grassy, green pepper to gooseberry and ripe tropical flavours. The grapes were machine harvested in the cool early mornings to retain the delicate flavours.

Harvest date: February - March 2016

in the cellar : This wine is made up of a series of Sauvignon Blanc building blocks from different sites on Steenberg. Skin maceration occurred after crushing from 8 - 24 hours at 10°C. The juice settled overnight after which it was racked off clean, inoculated with yeast and allowed to ferment for up to 30 days at 13°C. Post fermentation the wine lay on fine lees for 90 days until blending, stabilizing and bottling in May 2015.
