2012 - Silver at Veritas Wine Awards

2012 - Outstanding Silver at International Wine & Spirits

The ultimate expression of Jordanterroir. The Nine Yards Chardonnay is made in a Reserve Style, from a barrel selection from our best vineyard site. Stylistically different to our Jordan Chardonnay, with this wine we went "The Whole Nine Yards"!

in the vineyard : Location & Climate: The distinct ravine which embodies Stellenbosch Kloof harnesses all the qualities of a well-orientated compass. Varying elevations and aspects allows us to grow a selection of classic varieties to specific sites that optimise this expression through their location. The cooler south- and east-facing aspects, unique in Stellenbosch, hosts the more sensitive and aromatic white-skinned grape varieties.

Stellenbosch Kloof enjoys a cooler Mediterranean climate with mari-time influences from False Bay, 14km to the south, and a refreshing breeze channelled from the West Coast's Benguela current 24km to the north-west. These two breezes culminate at the top end of the ravine and bring in early morning mists, especially from False Bay. Consequently, temperatures in our meso-climate can be measured at least 3° Celsius cooler than inland Stellenbosch during ripening peri-ods. This adds a unique characteristic to Jordan wines.

Appellation: Wine of Origin Stellenbosch.

Soil: Decomposed granite (Hutton and Glenrosa soil form).

Aspect: East-facing, 250 - 280m above sea level.

Age of vines: 25 years old.

Clones: Burgundian & Davis

about the harvest: Between 2nd and 23rd of February 2015.

in the cellar : Crushed and pressed immediately after de-stemming, the juice was barrel-fermented in traditional 228-litre French oak barrels (92% new and 8% second fill) from selected Burgundian cooperages (Damy, Chassin and Rousseau). The barrels

were inoculated with a selection of French yeast. A percentage of the wine went through natural fermentation. The wine was matured "sur lie" for 11 months, with regular barrel-rolling to accentuate the rich, leesy character.
