

## Nederburg Malbec Reserve 1999

**For Auction only**

In line with a growing consumer preference for boutique wines, Nederburg Wines launched its Reserve range. This allows the Nederburg team the freedom to make different styles of wines from selected blocks from the very best vineyards. These wines are often only available in limited quantities. This careful vineyard selection and the New World style of winemaking has produced a powerful, intense Malbec, with rich, ripe flavours of black fruit and subtle mint with hints of cinnamon and delicious vanilla on the palate.
