# Org De Rac Le Piquet Blanc 2015

This eloquent blend rewards with the finest attributes of its three components. Tempting aromas of ripe stone fruit follow through on the palate where crisp minerality and lingering citrus flavours add to the fresh, lively appeal.

**in the vineyard :** Organically produced on a 4-wire extended Perold trellised system with drip irrigation. The soil is sustainably managed with a rotation of different cover crops, vetches and organic mulching to stimulate healthy soil microbial activity. Strict pruning, green leaf management and suckering are essential for pest and disease control and optimal shading of the grapes during the ripening of the fruit.

**about the harvest:** The three different grape varieties were harvested at a relatively low brix and meticulously blended to create a lovely, vibrant summer wine.
