**in the vineyard :** The grapes for this wine are sourced only from the coolest slopes in the Western Cape, enabling only the best Sauvignon grape flavours to be released into the wine.

**about the harvest:** The grapes were harvested by hand earlier this year into small 20kg cases. The grapes were then transported in the cool of the morning to the Hoopenburg cellar.

**in the cellar :** The grapes were transported in the cool of the morning to the Hoopenburg cellar. Here they were hand tipped into the press for a long three hour whole bunch pressing session. After this the juice was cold fermented for 3 weeks in stainless steel tanks. Once dry the wine was racked off its ferment lees and aged for a 6 months before being bottled.
