in the vineyard :

Geographical location: Riebeeckberg

Vineyard: Trellised

about the harvest:

Manual harvesting of grapes.

Yield: 4 - 6 tons/ hectare

in the cellar :

Fermentation occurred in stainless steel tanks at a controlled temperature (25° - 28° C) with two daily pump-overs and punch downs, extracting color and tannins. After natural malolactic fermentation completed the wine matured 14 months in new French oak barrels.
