

Hermanuspietersfontein Swartskaaap 2012

There is a black sheep in every flock – a Swartskaaap who doesn't fit in with the rest. Different from the others, he develops his own style and character and achieves success in his own right.

As the name suggests, “black sheep” makes for a remarkable wine, independent and confident, denouncing Cabernet franc's status as “a blending cultivar”.

Tasting Characteristics: black olive, dusty, spicy, toast, with a European minerality. Violet to ruby colour; medium bodied, integrated tannins and a generous length. Pure intensity and a silky consistency. Elegantly structured with a fresh finish. Complex yet elegant.

variety : Cabernet Franc | 100% Cabernet Franc

winery : Hermanuspietersfontein

winemaker : Kim McFarlane

wine of origin :

analysis : alc : 13.88 % vol rs : 2.2 g/l pH : 3.47
