

De Toren Fusion V 2013

A wine that perfectly reflects the elegant 2013 vintage!

The nose reveals vibrant, tightly knit aromas of creamy black and red berries, with supporting nuances of dark, bitter chocolate, leather, cedar as well as hints of black pepper.

The pallet is very elegantly packaged, a true left bank Bordeaux styled blend, showing amazing concentration, complexity as well as restraint. The wine entices with flavors of clean black and red fruit, a perfectly balanced acidity, finished off with fine, integrated tannins.

To release all the flavours please decant at least one hour before consumption. It is recommended to serve this wine at optimal temperature (15° - 18° C)
