

## Waverley Hills Sauvignon Blanc Semillon 2015

---

Classical rich Sauvignon Blanc/Semillon complexity with ripe tropical fruit complemented with strong vegetative and herbaceous aromas. A fresh wine that has silky undertones with a well-balanced palate of fresh fruits and asparagus.

**type :** White   **style :** Dry   **body :** Light   **taste :** Mineral   **organic**

**pack :** Bottle   **size :** 750ml   **closure :** Screwcap

---

### in the vineyard :

Oakleaf / Kroonstad soils, with drip irrigation delivering a production of 8 tons/ha. Canopy management was controlled to preserve the vegetative characters of the grapes and a cool harvesting period helped with keeping the flavours in the grapes until it reached the cellar.

### about the harvest:

Grapes were picked early in the morning.

### in the cellar :

The grapes were stored at 6°C until the next morning before being destemmed and gently crushed to preserve the flavours of the grapes. All the cultivars were fermented at 12°C and spent 2 months on lees. Blended before stabilization.
