Nederburg's premium wines are accommodated in The Winemasters ensemble, named to honour the long-established tradition of winemaking excellence. These classically styled, food-friendly wines with refreshing fruit flavours, elegance and finesse, treasure the integrity of our grapes in every step of the wine-growing and winemaking journey. Every glass demonstrates an unwavering commitment to world-class vineyard and cellar skills.

### in the vineyard :

The grapes were sourced from vineyards in the Philadelphia and Darling areas. The vines, situated some 50 m to 100 m above sea level and planted between 1985 and 2000, are grown in decomposed granite, gravelly and Tukulu soils and are grafted onto nematode-resistant rootstocks Richter 99, R110 and 101-114.

### about the harvest:

The grapes were harvested by hand at 21° Balling in February.

### in the cellar :

After crushing, skin contact was allowed for a period of 12 hours after which the grapes were pressed and the juice settled overnight. The clear juice was fermented dry in temperature-controlled stainless steel tanks for a period of two weeks at 16°C.
