Perfection of Time The La Cave story goes back a long time, to when Winemakers matured quality wines underground to protect them from extreme temperatures. Named after the Cave – like labyrinth with impressive stone arches and receding candlelit recesses. La Cave wines are matured slowly in small first fill French oak barrels. Meticulous selection from the best single-varietal vineyard blocks, the range is made in limited volumes ensuring that only the finest quality wines are branded La Cave.

in the cellar : Whole bunch pressing was done subtly to retract free run juice. Alcoholic fermentation took place at 14 °C. The robust wine was left on lees for 6 months and then bottled. Secondary fermentation and aging on lees took place in the bottle for a further 12 – 36 months.
