

A Taste of Chenin Blanc

Taste iconic South African wines. Chenin is a truly South Africa taste. Even the French (the Loire Valley being the birthplace of Chenin) are taking a look at what our new world winemakers are doing with this old variety. Enjoy 6 proudly South African wines.

wine.co.za is happy to introduce the first of our variety tasting packs.

- **Ken Forrester Petit Chenin Blanc** : Perfect everyday drinking wine. A youthful fresh wine with quince and pear drop flavours. Earlier picked freshness shows on palate with crunchy green apple and grapefruit flavours. Good mouthfeel and appetisingly tangy finish.
- **Kaapzicht Chenin Blanc** : Ripe quince, pineapple and stone fruit with some interesting savoury undertones. Lightly textured palate, with a hint of sweetness and balancing crunchy acid, results in a brisk finish.
- **Cederberg Chenin Blanc** : The Cederberg style Chenin Blanc offers beautiful layers of melon, grapefruit and fleshy white pear. Five months lees contact ensured a mouth coating creaminess on the palate with a lively crisp acidity to finish off. Altitude vineyards make this Chenin Blanc truly unique.
- **Kleine Zalze Cellar Selection Chenin Blanc Bush Vines** : Aromas of ripe pineapple and guava jump out of the glass. This is followed by a rich and ripe palate, beautifully balanced by lemon-lime freshness on the back palate. Flinty mineral notes that linger on the finish definitely mean that this delicious wine will mature gracefully over the next 3 to 5 years.
- **Stellenrust Chenin Blanc**: This Chenin Blanc shows strong lime and some tropical fruit on the nose with a mineral palate of grape fruit and pear drop.
- **De Morgenzon DMZ Chenin Blanc** : Green apple, apricot, peach, hints of honey and floral aromas characterize a fresh and upfront nose. The palate is rich and well integrated with a lingering aftertaste.
