

## Steenberg Semillon Wooded 2001

Light gold with green hue. Made from ripe fruit, this complex Semillon shows ripe pear-peach aromas with a citrus zestiness that flows onto the palate. Well-integrated oak flavours create a caramel creaminess, which leads to a long, silky mouth feel.

The clear juice was racked to a stainless steel tank where it was inoculated with yeast. Immediately afterwards, the juice was racked to 225L French oak barrels for fermentation. Malolactic fermentation was encouraged in barrel. The wine will remain on the original fermentation lees for 8 - 9 months. BÃ¢tonnage occurred once a fortnight for the first three months and once a month for the remaining period.
