

Linton Park Cabernet Sauvignon 2015

Deep mocha/chocolate aromas accompanied by red berries on the nose. Full bodied, plummy pallet with a strawberry finish aftertaste. This is a well balanced wine with outstanding quality.

A delectable demi-glace of slowly simmered lamb trimmings, garlic, onions, carrots, celery, port, red wine, chicken broth, rosemary, and mint. Best at a temperature between 16° C and 17° C.

variety : Cabernet Sauvignon | 100% Cabernet Sauvignon

The Vineyards are called De Slange Rivier (Serpent river) and was founded by French Huguenot Louis Fourie in 1699, land granted by Cape Governor Adrian Van Der Stel. 84 Hectares under vine nestling on the high slopes of the Groenberg Mountain, Wellington District with sweeping views across to Table Mountain.

in the vineyard : Cool breeze micro-climate, one of the highest vineyards in South Africa with temperatures 6°C cooler than the valley giving our grapes slow ripening. Our vines thrive on the decomposed high mineral granite Oakleaf with sub - dominant Grenosa and Tukululu soil formations on the mountain. The blocks are carefully manipulated for high concentrated flavour with low yields. Controlled irrigation and 7 strand hedge system with moveable foliage wires. The high trellis system ensures perfect vertical shoot positioning. Hand harvest in February at dawn to keep grapes cool for vinification. The Cabernet Sauvignon vines average 20 years old.

about the harvest: Hand harvesting

in the cellar : De-stemming and crushingbr. Maceration and controlled fermentation at 25°C during 10-14 days, in stainless steel tanks with pump overs twice a day. Pressing. Malolactic fermentation was finished 2-6 weeks after the end of alcoholic fermentation. Twelve months matured in 1st 2nd and 3rd fill Oak barrels, carefully selected French and American oak barrels to match sensory. Stabilizing Filtering. Bottling and labelling at the Estate. Composition: 100% Cabernet Sauvignon. 12 months maturation French Oak Barrels
