

## Boschkloof Conclusion 2015

---

A true expression of good grape quality and terroir. The wine was made as natural as possible. On the nose the aromas are mixed herbs, plum and some lovely cigar box flavours. The wine is highly concentrated with a big, but elegant mid-palate and a long finish.

**about the harvest**: Grapes were specially selected and harvested by hand and the vineyard yield was very low at 4-6 Tons / ha.

**in the cellar** : To achieve a more intense concentration 30% of the juice was bled off before natural alcoholic fermentation took place. During this process skins were punched down 4-6 times per day. After completion of alcoholic fermentation, further skin contact was allowed for an average of 24 days. Matured in 70% new 225l French oak barrels for 20 months.
