

## Rudera Cabernet Sauvignon 2012

A vision of inky-purple and brick-red hues, bears promise to intense flavours of black currents, bluegum, ripe cherries, cigar box and pencil shavings on the nose that follows through and explodes on the palate with a voluptuous mouthfeel and powerful, gripping finish. This is a true example of a classical Cabernet Sauvignon.

Rudera Cabernet Sauvignon pairs well with a variety of mushroom and meat dishes such as mushroom risotto or barbecued lamb. The hint of fynbos on the nose and palate opens up pairing with vegetarian dishes such as vegetable lasagne and oven roasted vegetables.

**variety :** Cabernet Sauvignon | 100% Cabernet Sauvignon

- In May 2012, the Wine Enthusiast gave a rating of 91 points for the elegant Rudera Cabernet Sauvignon 2008 and singled it out as an Editor's Choice – a distinction awarded to but a few select wines of excellent quality.
- The Rudera Cabernet 2009 received 4½ stars in the Platter's South African Wines Guide 2013.

**ageing :**

Drinking exceptionally well now and will reward five years in bottle.

**in the vineyard :**

The Cabernet Sauvignon blanc vineyard is situated at the foothills of the Simonsberg mountain west of Stellenbosch and is just a few kilometers from the Atlantic Ocean. The temperatures during the ripening season in January and February average at 23.7 and 21.8 respectively, and with the sandstone-derived gravel soils, conditions are ideal for premium quality Cabernet.

**in the cellar :**

Sorting was done in the vineyard, followed by berry selection in the cellar before crush. The grapes were fermented with an inoculated yeast (WE372) and pumped over three times per day. Fermentation was at 31°C and lasted five days. Extended skin contact lasted a total of 18 days. The wine underwent malolactic fermentation in barrel. The wine was raked using only gravitation. This was done for the first time

after malolactic fermentation, and again three months later. The wine matured in  
barriques for 10 months. The Rudera Cabernet Sauvignon 2012 is unfiltered.
