

KWV Concordia White 2016

This expressive white blend shows upfront notes of blossoms, tropical fruit and green apple with subtle lime and guava flavours emerging on the palate. The wine is soft, round and well-integrated with linear acidity that delivers a lingering finish.

Enjoy this wine on its own or with salads, seafood, various white meat dishes or creamy pastas. This wine is best served chilled.

in the vineyard :

The vintage was dry, warm and early for the most part, with smaller berries and lower yields. Some varieties set inconsistently - even within the same bunch or cluster. The significantly smaller harvest coupled with the dry conditions induced earlier ripening. Reds look very good whereas the whites were challenging due to lower acids, but the winemaking team were up to the challenge and produced a solid performance.
