in the vineyard : An important part of the Villiera range - combines the natural elegance of Villiera soils with greater intensity from the soils of Devon Valley.

about the harvest: The 2015 Cabernet Sauvignon was picked at optimum ripeness, with half of the fruit coming from Devon Valley and the balance from Villiera. The Cabernet Franc was picked earlier and also comes from Devon Valley.

in the cellar : The grapes were fully crushed and fermented in pumpover fermenters at ± 25° C. Full MLF occurred in tank before blending and racking to barrels. The wine was matured for just over a year in French oak barrels (including 25 % new) before final blending and bottling.
